(the "Company")

NOTICE TO SHAREHOLDERS OF THE SUB-FUND "SPARINVEST - HIGH YIELD VALUE BONDS"

Luxembourg, 17 August 2015

Dear Shareholder,

The board of directors of the Company has decided to merge the sub-funds "SPARINVEST - HIGH YIELD VALUE BONDS" and "SPARINVEST - ETHICAL HIGH YIELD VALUE BONDS" (the "Merging Sub-Funds") into the sub-fund "SPARINVEST - CORPORATE VALUE BONDS" (the "Receiving Sub-Fund") following an overall analysis of the fund range by Sparinvest S.A., the management company, with the aim of optimizing and streamlining the fund range.

The Merging Sub-Funds have almost the same investment objective and policy as well as a similar portfolio. Although only one of the Merging Sub-Funds applies the ethical screening, both Merging Sub-Funds are compliant with the ethical criteria. The investment policy of the Receiving Sub-Fund resembles the one of the Merging Sub-Funds and it will be adjusted at the merger in order to reflect Sparinvest's high yield value bonds strategy. For efficient fund management purposes, the assets of the Merging Sub-Funds and the Receiving Sub-Fund shall be amalgamated so that, following the merger, shareholders of all three sub-funds will benefit from the merger in terms of economies of scale.

This notice provides important information, including the reason for and details of the merger to be carried out in accordance with applicable Luxembourg laws, the date of the merger, how it will affect you and the choices you have. Also attached is the relevant draft Key Investor Information Document ("KIID") that describes the Receiving Sub-Fund as from the effective date of the merger.

At the effective date of the merger, the shares of the Merging Sub-Funds will be automatically exchanged for shares in the Receiving Sub-Fund as described in this notice. A merger statement confirming the number and price of the new shares in the Receiving Sub-Fund will be sent within two (2) business days to the shareholders of the Merging Sub-Funds.

Shareholders, who do not wish to have their shares exchanged at the effective date of the merger, may switch, free of conversion charges, to any other sub-fund of the Company or redeem their shares, free of redemption charges, until 22 September 2015 by sending a conversion or redemption request to the Company's registrar and transfer agent European Fund Administration (Luxembourg) S.A. Fax: +352 48 65 61 8002.

A copy of the merger report issued by the Company's auditor, the common merger proposal as well as the statement of the Company's depositary bank are available upon request and free of charge.

Please contact Sparinvest S.A. for further information or in case of questions.

On behalf of the board of directors of the Company

Summary

This section outlines key information relating to the merger as it concerns you as a shareholder. Further information is contained in the Detailed Sub-fund Comparison that follows as well as in the prospectus and relevant KIIDs.

Objectives & Investment Policies

Language that is different between the sub-funds

The Fund invests at least 2/3 of its total net assets in low rated bonds while taking the default risk and return potential into consideration. These bonds are with a rating below Baa3/BBB- by Moody's, Standard & Poors or any recognized credit rating agency.	The Fund invests at least 2/3 of its total net assets in low rated bonds of companies that are not involved in controversial activities, such as production of alcohol, gambling, tobacco, pornography and military-related equipment and services. A 5% tolerance level is, however, applied for distribution of said activities / production of military-related equipment and services.
These bonds are with a rating below Baa3/BBB- by Moody's, Standard & Poors or any recognized credit rating agency.	Low rated bonds are with a rating below Baa3/BBB- by Moody's, Standard & Poor's or Fitch.
Bonds are mainly issued by companies with no limitation on their activities.	
The company analysis is based on the value principles. This meaning that the focus is on selecting bonds issued by companies with relatively strong balance sheets.	
Bonds are traded on stock exchanges or regulated markets within OECD countries, EU member states, Singapore and Hong Kong.	They are traded on exchanges or regulated markets within OECD countries, EU member states, Singapore or Hong Kong.
There is no limitation in terms of currency of investments.	
	The Fund may invest up to 30% of its total net assets in non-rated bonds.
	Up to 15% of the Fund's total net assets may be invested in corporate bonds in less developed countries. Emerging markets are defined as countries that are not classified as developed countries, according to MSCI market classification.
You can expect that the Fund in longer periods deviate considerable on country exposure from its benchmark.	The Fund's benchmark is Merrill Lynch Global High Yield (EUR Hedged).

Language that is the same in both sub-funds

As an investor in this Fund you get diversification and professional management of your investments. Sparinvest monitors your investments for you.
You can usually buy and sell your shares at the current price on the days the banks are open.
The Fund normally uses currency derivatives to protect the portfolio against currency fluctuations.
Any income generated by the Fund will be reinvested to grow the value of your investments.
